

The Creed of the Confirmation Class of 2018

We believe in one God, who is our Creator, the maker of heaven and earth. We believe that God treats everyone the same. God loves us completely, and always will.

We believe in Jesus, the Son of God, who rose from the dead after dying for us. We believe that Jesus chose to suffer and die, so that we might know the way back home to God. Jesus lived a life that was free from sin, and taught us ways to serve God and to live in God.

We believe that the Holy Spirit keeps us together. So that all who believe in God can work together in God's name. We believe that God is always with us, hears our prayers, and provides for all our needs. God always loves us, no matter how many times we fail. God will heal all our brokenness, and lift us up whenever we fall. We believe that God is our guide in good times and bad. God will lead us in the right way, for God only wants good for us. We work every day to place our whole trust in these promises of God, and in this we know we will find peace. Amen.
