Silence

Unison Prayer:

Jesus, thank you for the special invitation you give children to come and spend time with you. Thank you for spending time with them and listening to them, helping them to know that they can tell you what makes them afraid or sad or angry. Thank you for hearing the prayers of children as surely as you hear the prayers of adults. Lord, help us to come to you as children - not just as children of God - but with openness and readiness to love, with trust and willingness to follow where you lead. Even as we pray to come to you with the hearts like those of children, we also pray that you will show us how to open the way for children to come to you, teaching them and leading them in faith and life, always choosing to walk with you. Amen.
